

“DO NOT WALK ALONE UNDER THE SUN”

MAIN OBJECTIVE: To learn that living alone hurts us and that is why it is important to surround ourselves with the right people.

DEVELOPMENT OF THE CLASS

1

Initial Prayer

Make a short prayer with your child / children, related to today's topic. Remember to use a simple language, easy to understand.

Sample of prayer: Lord Jesus, we thank you for this day, because you allow us to learn more from your Word; we ask that each day we can remember that we are sinners and yet you chose us for your glory. Help us always remember what we learn from you and that we can recognize that living alone hurts us, that pride and selfishness do not please you, we ask that every day we can reflect your love and that we can surround ourselves with the right people. Amen.

3

Introduction Activity

Ask to your child: What has he felt when a child wanted a toy that he had and lent it to him? Has he acted selfishly, or has he lent it to her without thinking so much Ask him: Who does he turn to at some time of difficulty, if he comes to you as his parents or goes to friends or prefers to keep everything out of fear?

We must teach our children that loneliness is harmful to human beings, that communion with the right people is necessary for the growth of our Christian life.

Bible teaching

Key verse: **Ecclesiastes 4: 9-11:** “Two are better than one, because they have a good return for their labor:

¹⁰ If either of them falls down, one can help the other up. But pity anyone who falls and has no one to help them up.¹¹ Also, if two lie down together, they will keep warm. But how can one keep warm alone?

LOOK WITH YOUR CHILDREN FOR THIS VERSE IN THE BIBLE, READ IT SEVERAL TIMES, AND IF POSSIBLE, MEMORIZE IT.

Next, you will find the information you should know about today's class:

1. LONELINESS HURTS YOU.

Many children prefer to play alone because they do not like to share their toys; This becomes a habit and they no longer want to share their sweets or their colored pencils, they want everything for themselves, they do not want to share anything with anyone.

Other children experience this with what they feel and prefer not to tell their parents, friends or teachers that they feel sad, worried, afraid or happy.

Not wanting to share our things or what we feel in different situations shows that we are committing a sin. You know which one is? SELFISHNESS.

The Bible tells us that we should not be selfish, we should not keep everything just for ourselves because it is God who gives us what we have and just as He blessed us with all that, we can also be a blessing to others when we share, especially with those people who are in need. Sharing our feelings is also good, because that way others can rejoice with us when we are happy and can advise us when we feel worried. When we share, we show LOVE for our neighbor and for our brothers in Christ.

2. FRIENDSHIP IS VERY GOOD AND VERY VALUABLE.

The Bible teaches us 4 benefits of living and staying with our family and friends:

- A) When we work as a team, we can achieve better things.
- B) If I fall or make a mistake about something, a family member or friend can help me get up or help me correct my mistake.
- C) Two people together, can help each other to make better decisions and take care of each other.
- D) Two or more people together can better deal with those who want to harm them. This does not refer to fighting, it refers to the fact that those who want to harm you will think twice before attacking if they are less.

We must always look for friends who love God because that way they will give us good advice and seek our good, in the same way we must look for their good. Remember that God created us to live in community with each other, to help each other. That brings many pleasant fruits; try every day to share with others. Stay away from loneliness.

Check if your child has learned

Ask your child orally or in writing:

- What did you learn today?
- What sin do we commit when we don't want to share what we have or what we feel?
- How have you felt when someone has wanted something that you have? Explain it with your words
- Can you remember the key verse?

6 Application

Do the following activity

ANNEX 1. Complete the activity and explain. Cut the image into pieces

Ask your child to assemble this puzzle in less than 2 min, and so he will get a prize that you have saved for him.

He will get anxious when he sees that it is impossible to complete it at that time without help, so there you can give him help so that he can notice that being alone it is impossible to do difficult things, for this God has left people around us to be supportive of our daily life.

7 Final Prayer

Make a short prayer with your children to end the class, thanking God for what they have learned and asking him that we can practice this every day.
